SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Mail Stop Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

In accordance with the provisions of 37 C.F.R. 1.56, 1.97 and 1.98, the attention of the Patent and Trademark Office is hereby directed to the documents listed on the attached form PTO-1449. It is respectfully requested that the documents be expressly considered during the prosecution of this application, and that the documents be made of record therein and appear among the "References Cited" on any patent to issue therefrom.

Applicants are submitting to the Office a single paper copy of each of the documents listed on the attached form PTO-1449 in connection with a corresponding Supplemental Information Disclosure Statement filing for U.S. Patent Application No. 10/418,113. Applicants are separately filing a Petition requesting waiver of Rules 1.4(b) and 98(a)(2), which requires copies of the documents listed on the attached form PTO-1449 to be provided herewith. In view of the Office's practice of scanning documents into the Image File Wrapper, it is believed that providing a single

set of paper copies will enable the Office to process the papers efficiently and expedite the Examiner's consideration of the same. Furthermore, the attached form PTO-1449 includes citations to some materials for which it is difficult to obtain additional copies. In view of the Petition and in the interests of efficiency, Applicants' respectfully request that a copy of each of the cited documents be made of record in the present application.

This Information Disclosure Statement is being filed within three months of the U.S. filing date OR before the mailing date of a first Office Action on the merits. No certification or fee is required.

Applicants bring to the Examiner's attention the following pending applications of Craig C. Hansen et al., which may include subject matter related to the present application:

| Application Number | Title |
|--------------------|--|
| 10/418,113 | Multiplier Array Processing System With Enhanced Utilization At Lower Precision |
| 10/436,340 | System With Wide Operand Architecture, And Method |
| 10/616,303 | Programmable Processor And Method With Wide Operations |
| 10/646,787 | Method And Software For Partitioned Group Element Selection Operation |
| 10/705,946 | Programmable Processor And Method For Partitioned Group Shift |
| 10/712,430 | System And Software For Catenated Group Shift Instruction |
| 10/716,561 | Programmable Processor And Method For Matched Aligned And Unaligned Storage Instructions |
| 10/716,568 | System And Software For Matched Aligned And Unaligned Storage Instructions |
| 10/757,515 | Method And Software For Multithreaded Processor With Partitioned Operations |
| 10/757,516 | Programmable Processor And System For Store Multiplex Operation |
| 10/757,836 | Programmable Processor And System For Partitioned Floating-Point Multiply-Add Operation. |

- 10/757,851 Method And Software For Partitioned Floating-Point Multiply-Add Operations
- 10/757,866 Method And Software For Store Multiplex Operation
- 10/757,925 Method And Software For Partitioned Group Element Selection Operation
- 10/757,939 Multithreaded Programmable Processor And System With Partitioned Operations

The attached form PTO-1449 includes (but is not exclusively limited to) documents that were cited in on-going litigation proceedings between the assignee of the present application, Dell Inc. and Intel Corp. (U.S. District Court for the Eastern District of Texas, Marshall Division (Civil Action No. 2:04-CV-120(TJW)). This litigation involves seven patents that are in the same family as each of the above applications.

Additionally, some documents were cited in related foreign applications. A copy of the foreign search report or office action is attached for the Examiner's information.

Please charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, to Deposit Account 500417 and please credit any excess fees to such deposit account.

Respectfully submitted,

McDERMOTT WILL & EMERY LLP
